

Letter of Recommendation

September 5, ...

To whom it may concern,

I am delighted to have this opportunity to recommend ..., a student from ..., for admission to your university. My first encounter with ... was while teaching *C++ Programming and Application* in the Fall semester of

What impresses me most is ...'s enthusiasm towards study, intelligence, and desire to make achievements. Every time before my lectures, he would preview lessons fully. In class, he always listened to me carefully and actively participated in discussions. Whenever I raised questions, he could state his own views of point, sometimes quite insightful. From his performance in the class quiz on "...", I could acknowledge his mastery of programming knowledge and analytical capacity in practice. Moreover, when solving programming problems, ... did not simply limit himself to traditional solutions as presented in textbooks but constantly explored and tried new approaches so as to find more efficient and optimized solutions. I believe such an earnest attitude and inquisitive mind can well assist him in achieving more in his future studies.

One thing worth mentioning is that group project is a significant part of my lectures, and ... has demonstrated his outstanding leadership and teamwork skills in classes and various group works.

In my eyes, ... has many excellent advantages that would recommend him as a great addition to your university. Given a much favorable education environment, I believe ... could have more chances to grow up as an all-around student with international perspectives. I strongly recommend him to you for some study programs, your favorable consideration on his application will be highly appreciated.

For any questions regarding his qualifications, please feel free to contact me.

Best regards,

...
